THE UNSTABLE CLIMATE ON THE GRAND LINE MAKES THIS POSSIBLE.

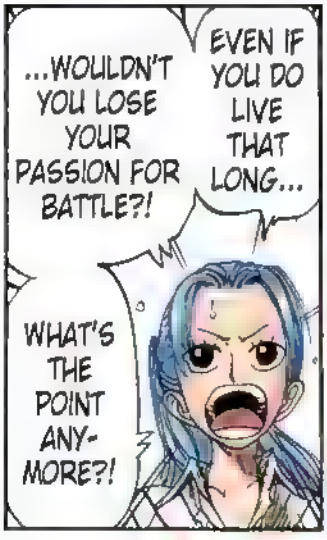
DON'T YOU HAVE A VILLAGE?
BY THE WAY, MISTER, HOW COME YOU LIVE HERE ALL ALONE?!

...WE LIVED BY A CODE.
IN MY VILLAGE...
OUR GOD PROTECTS THE ONE WHO IS RIGHT...
...AND LETS HIM LIVE.
WHEN THERE'S A DISPUTE AND NEITHER SIDE WILL YIELD...
...THE GOD WE WORSHIP DECIDES THE MATTER.
...FIGHTING ANOTHER WARRIOR.
WHOEVER IS RIGHT WILL WIN THE BATTLE... AND LIVE.
...AND NOW I'M ON THIS ISLAND...
I STARTED SOME TROUBLE...

ギャギャギャギャ!!
BUT WE'VE BEEN AT IT FOR A HUNDRED YEARS ALREADY!
AND NOTHING'S BEEN SETTLED!!! GYA GYA GYA!!



EVEN IF YOU DO LIVE THAT LONG...

THEN YOU'LL BE PROMOTED, WON'T YOU?
THERE'S NO REASON TO MOURN MR. 5.

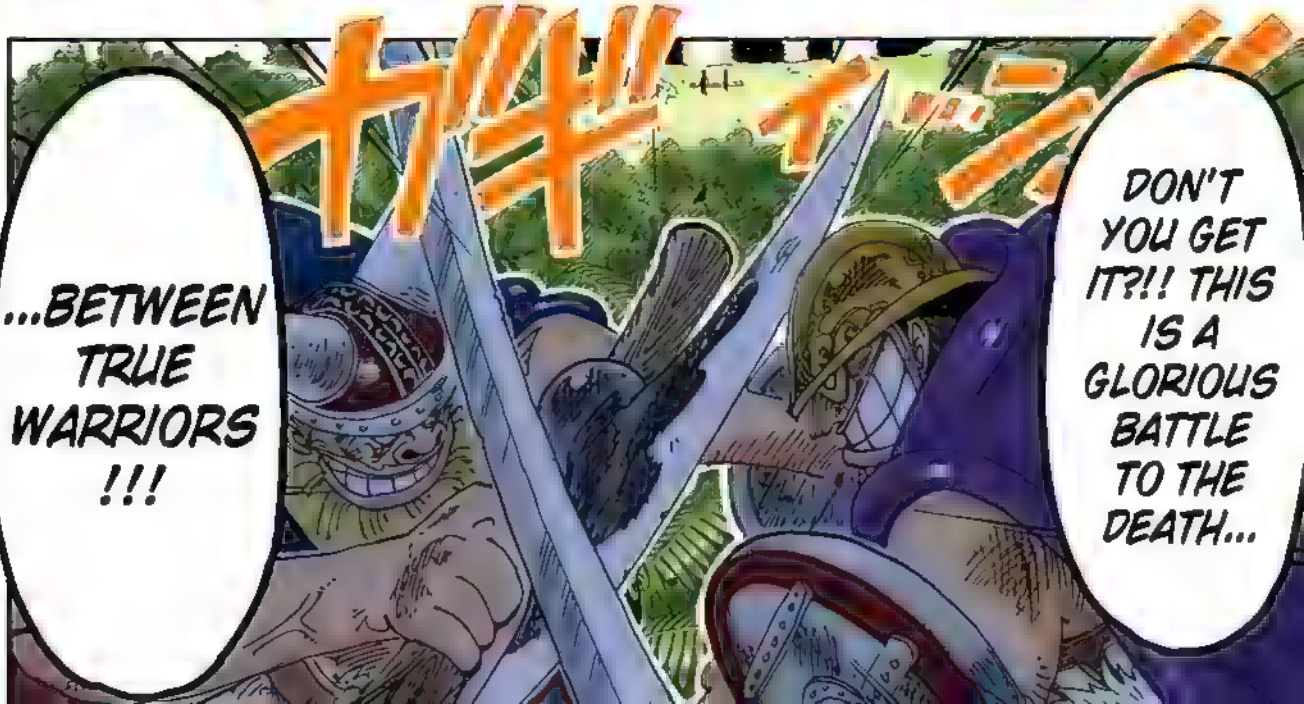
INCRED-IBLE...
C'MON, USOPP!!
NOW'S OUR CHANCE!! WE CAN GET AWAY!!

THEY REFUSE TO LET THEM BE TORN OFF!!!
IT'S LIKE EACH OF THEM HAS A FLAG ON HIS CHEST THAT SAYS "WARRIOR."
THAT'S WHY THEY'VE BEEN FIGHTING FOR A HUNDRED YEARS! TO PROTECT THEIR FLAGS!
AND THOSE FLAGS MEAN MORE TO THEM THAN THEIR VERY LIVES!!!

I DON'T GET IT.
WHAT DO YOU KNOW?!! THIS IS A BATTLE BETWEEN REAL MEN!!
THIS FIGHT'S A PAIN.



...BETWEEN TRUE WARRIORS !!!
DON'T YOU GET IT?!! THIS IS A GLORIOUS BATTLE TO THE DEATH...

THIS IS MY GOAL, TO BE A BRAVE WARRIOR OF THE SEA!!!

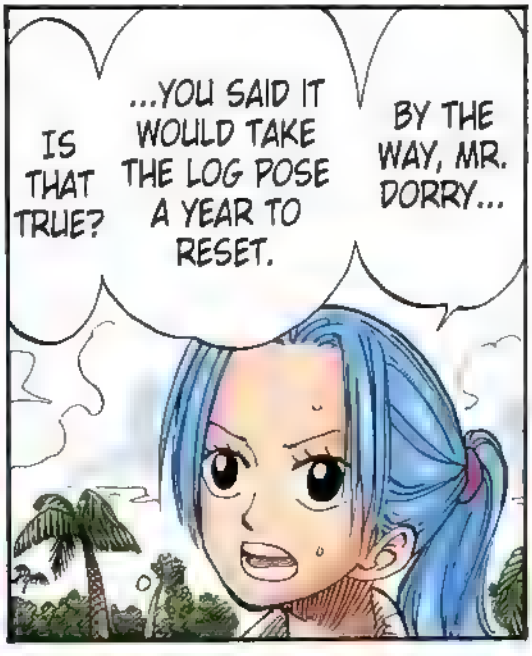
GA BA BA BA!!
AYE, DORRY, OLD FRIEND!!!

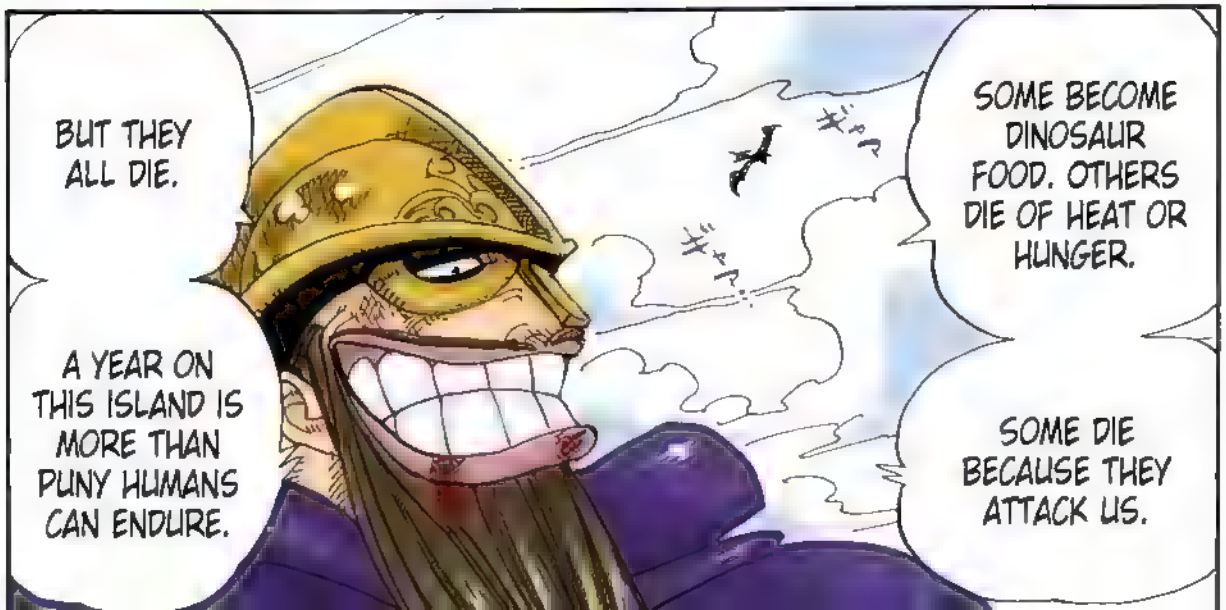
I GUESS THEY WANTED SOME ADVENTURE AFTER ALL!
THOSE DUMMIES! THEY SAID THEY WEREN'T GONNA LEAVE THE SHIP.
THAT'S USOPP AND NAMI!
THEN THIS IS YOUR ALE!!

I SEE!! SO BROGY'S GUESTS ARE YOUR FRIENDS!!
THERE WAS ONE WITH A LONG NOSE, AND A WOMAN.
GE GYA GYA GYA GYA GYA!!

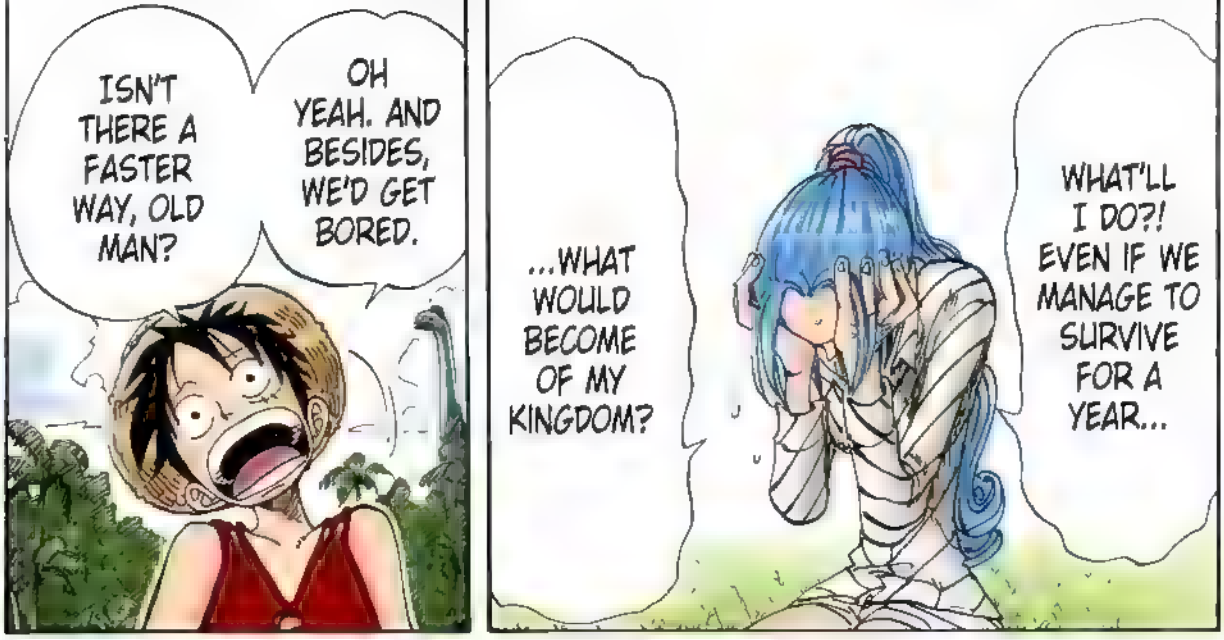
LITTLE PEOPLE WHO COME TO THIS ISLAND USUALLY DIE BEFORE THEIR LOG POSES RESET.
DIDN'T YOU SEE THEM?
THE SKULLS OF LITTLE HUMANS LIKE YOURSELVES ARE SCATTERED AROUND.



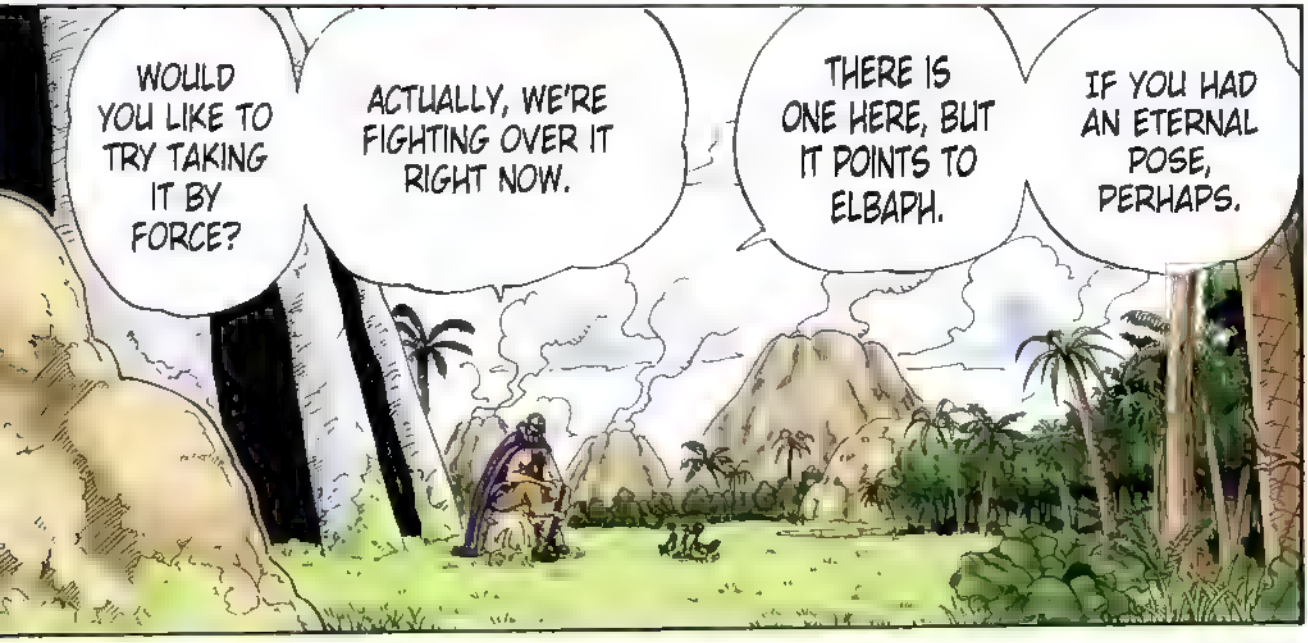
IS THAT TRUE?
...YOU SAID IT WOULD TAKE THE LOG POSE A YEAR TO RESET.
BY THE WAY, MR. DORRY...



BUT THEY ALL DIE.
A YEAR ON THIS ISLAND IS MORE THAN PUNY HUMANS CAN ENDURE.
SOME BECOME DINOSAUR FOOD. OTHERS DIE OF HEAT OR HUNGER.
SOME DIE BECAUSE THEY ATTACK US.



ISN'T THERE A FASTER WAY, OLD MAN?
OH YEAH. AND BESIDES, WE'D GET BORED.
...WHAT WOULD BECOME OF MY KINGDOM?
WHAT'LL I DO?! EVEN IF WE MANAGE TO SURVIVE FOR A YEAR...

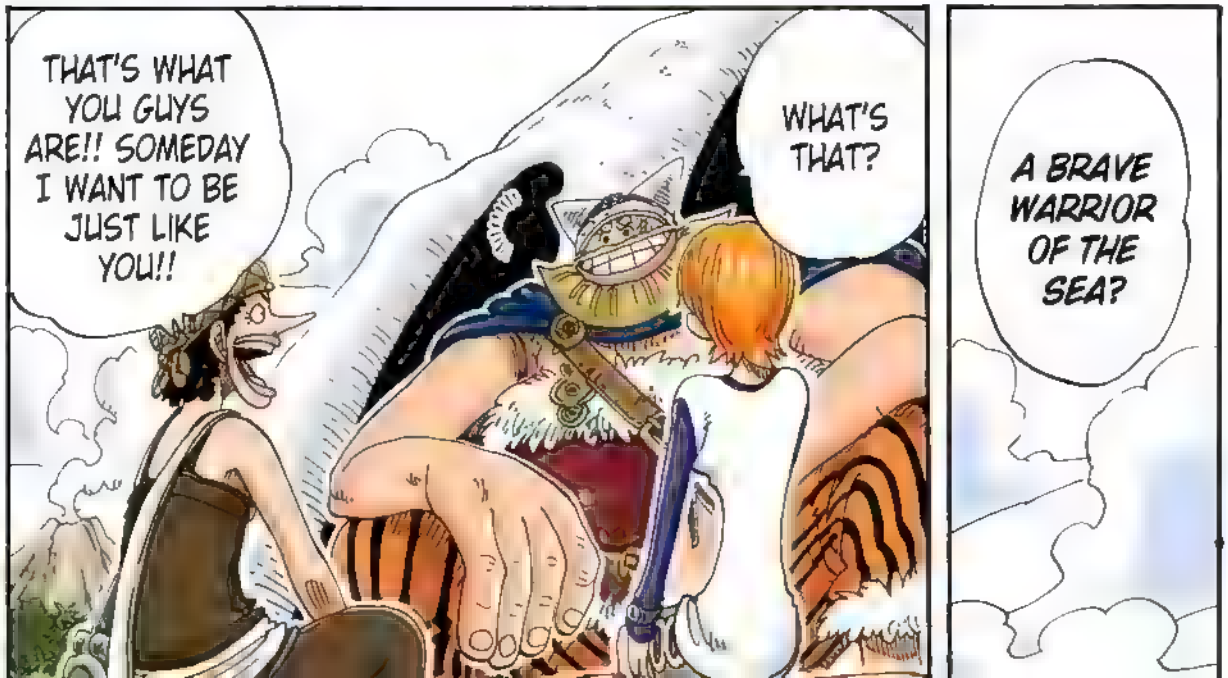


WOULD YOU LIKE TO TRY TAKING IT BY FORCE?
ACTUALLY, WE'RE FIGHTING OVER IT RIGHT NOW.
THERE IS ONE HERE, BUT IT POINTS TO ELBAPH.
IF YOU HAD AN ETERNAL POSE, PERHAPS.

...WHO KNOWS WHERE WE'D END UP?
THAT'S RIGHT. IF WE STRAY FROM THE COURSE TO ALABASTA...
RIGHT?
WE JUST WANNA GET TO THE NEXT ISLAND.
THAT'S NOT OUR DESTI-NATION.
THAT'S NO GOOD.
SEE?

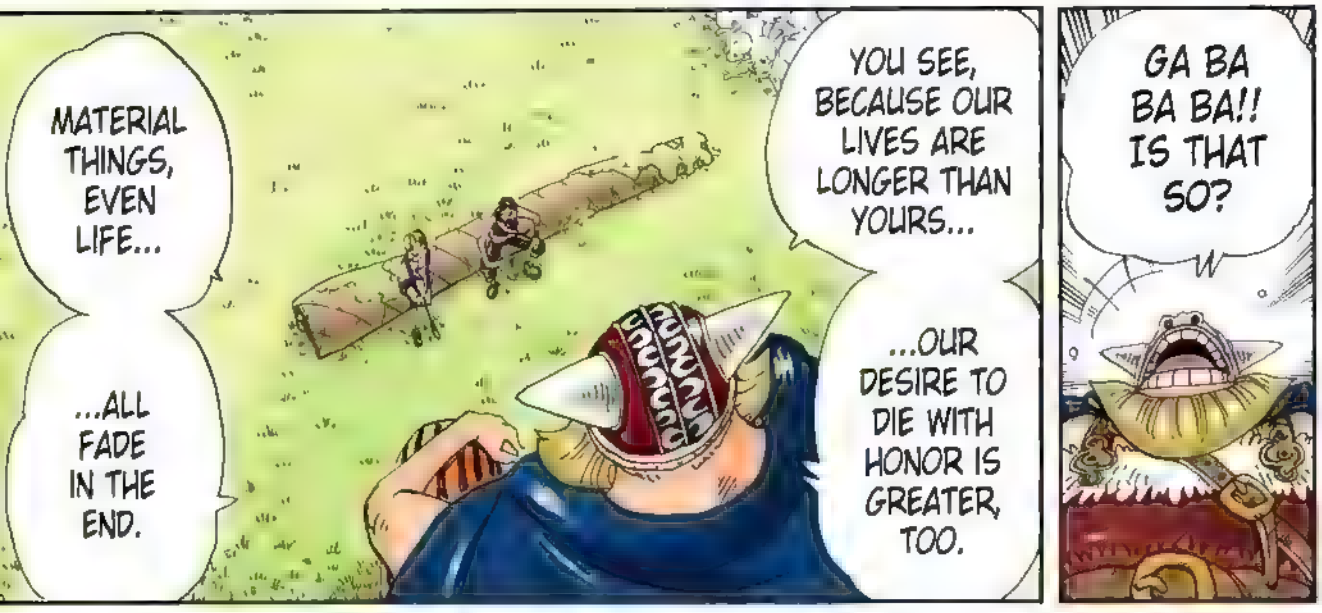
ギャギャギャギャ
YOU COULD JUST GO ON YOUR WAY!! WITH A LITTLE LUCK, YOU MIGHT GET THERE!!!
GE GYA GYA GYA GYA GYA!!

GE GYA GYA GYA GYA GYA!!
HO HO HO HO!! YOU SURE ARE A FUNNY LITTLE HUMAN!!
WE MIGHT GET THERE!!
AH HA HA HA HA HA!!
MAYBE WE SHOULD!
AH HA HA HA HA HA!
ギャギャギャギャ
HEY...



THAT'S WHAT YOU GUYS ARE!! SOMEDAY I WANT TO BE JUST LIKE YOU!!
WHAT'S THAT?
A BRAVE WARRIOR OF THE SEA?

TO LIVE PROUD OF MYSELF!!
I WANT TO BE LIKE THE WARRIORS OF ELBAPH!
ドー!!!
NO!!
A GIANT?



MATERIAL THINGS, EVEN LIFE...
...ALL FADE IN THE END.
YOU SEE, BECAUSE OUR LIVES ARE LONGER THAN YOURS...
...OUR DESIRE TO DIE WITH HONOR IS GREATER, TOO.
GA BA BA BA!! IS THAT SO?

SO HONOR IS A TREASURE!!
AND THAT HONOR...
...WILL BE THE ETERNAL TREASURE OF OUR HOMELAND.
BUT AS WARRIORS OF ELBAPH...
...IF WE CAN DIE WITH HONOR, OUR DEATHS CAN BE GLORIOUS.

?!!!
ドフォオ!!!
QUACK!!
...BLEW UP!!!
THE ALE...
!!!

ドニィ…!!!

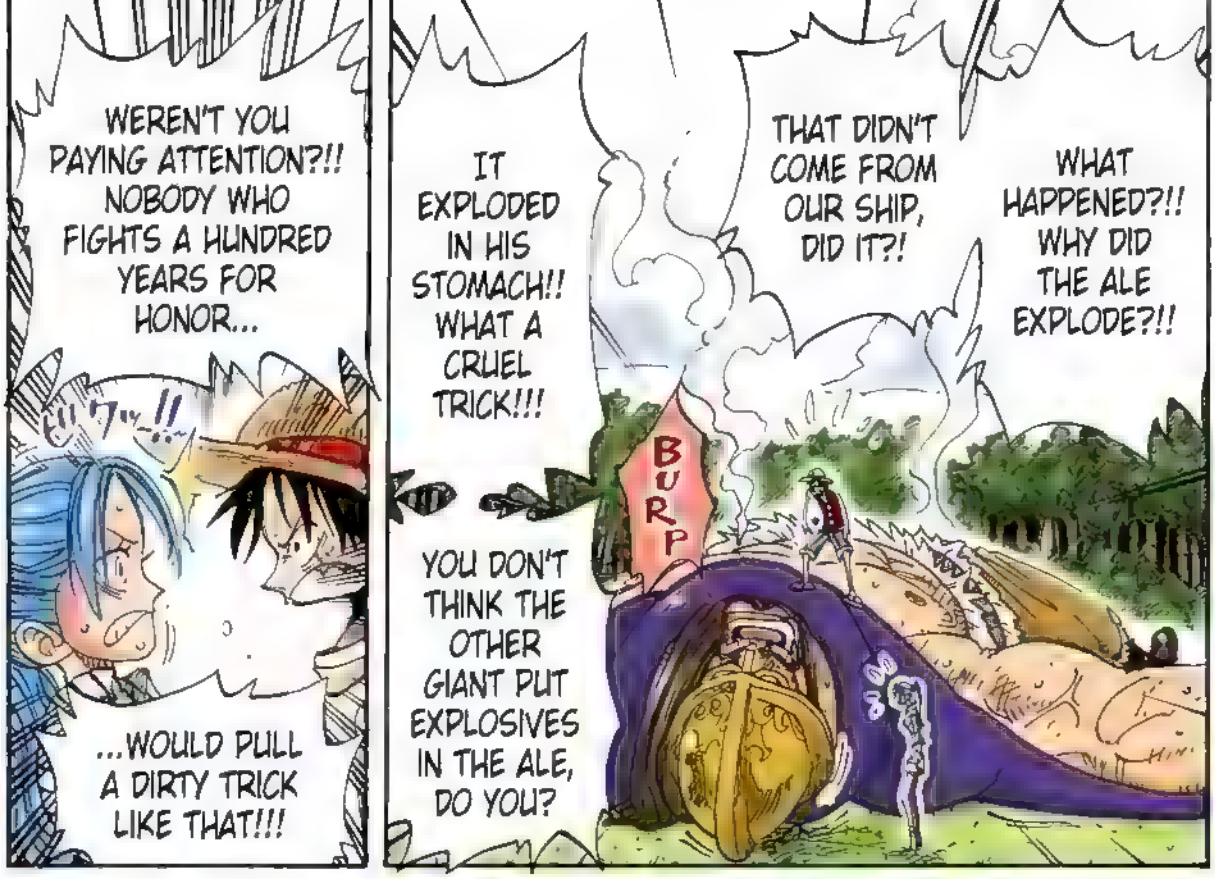
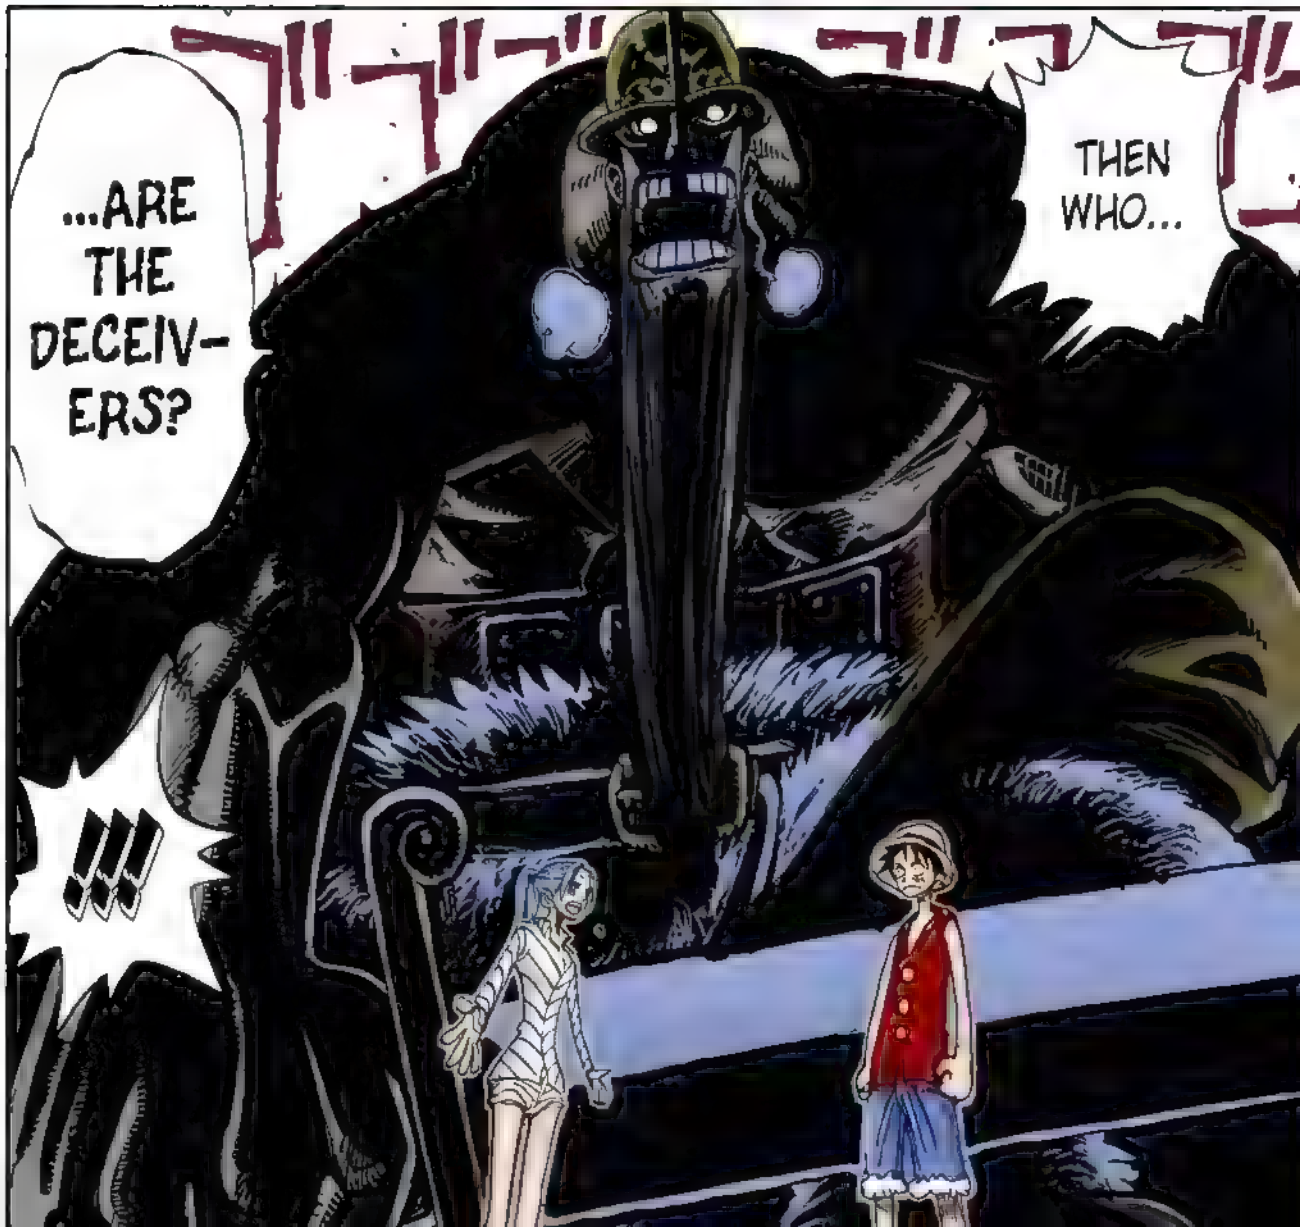
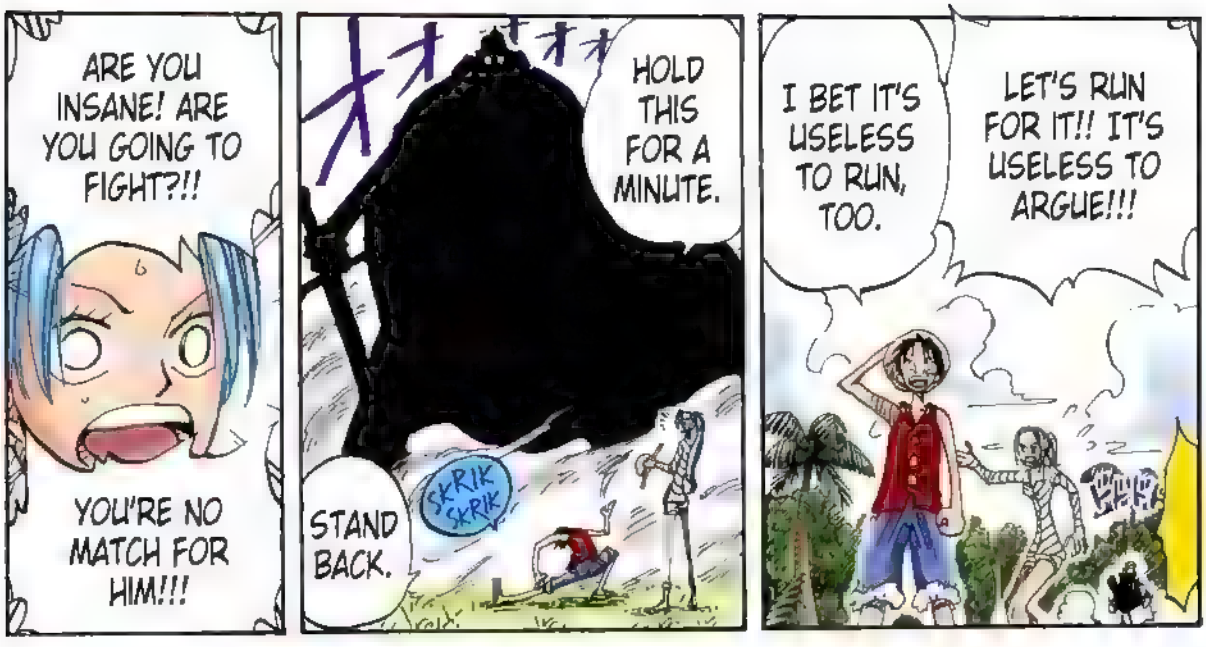
MR. DORRY !!!
MR. GIANT !!!



WEREN'T YOU PAYING ATTENTION?!! NOBODY WHO FIGHTS A HUNDRED YEARS FOR HONOR...
...WOULD PULL A DIRTY TRICK LIKE THAT!!!
IT EXPLODED IN HIS STOMACH!! WHAT A CRUEL TRICK!!!
YOU DON'T THINK THE OTHER GIANT PUT EXPLOSIVES IN THE ALE, DO YOU?
THAT DIDN'T COME FROM OUR SHIP, DID IT?!
WHAT HAPPENED?!! WHY DID THE ALE EXPLODE?!!
BURP



...ARE THE DECEIV-ERS?
!!!
THEN WHO...



ARE YOU INSANE! ARE YOU GOING TO FIGHT?!!
YOU'RE NO MATCH FOR HIM!!!
HOLD THIS FOR A MINUTE.
STAND BACK.
SKRIK SKRIK
I BET IT'S USELESS TO RUN, TOO.
LET'S RUN FOR IT!! IT'S USELESS TO ARGUE!!!

TO BE CONTINUED IN *ONE PIECE*, VOL. 14!

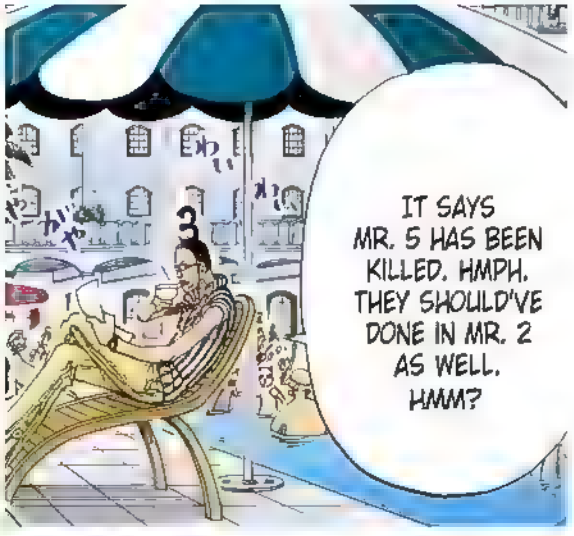
TRANSLATION NOTES CORNER
Volume 13

- THERE'S SOME CONTENTION ON WHETHER THE ***ALABASTA*** KINGDOM IS TRANSLATED AS EITHER "ALABASTA" OR "ARABASTA", DUE TO THE INTERCHANGEABILITY OF L AND R IN JAPANESE AND HOW ODA HAS OFFICIALLY ROMANIZED THEM WITH BOTH SPELLINGS ON SEVERAL OCCASIONS ON ACCIDENT. BOTH ARE VALID, AS THE KINGDOM SEEMINGLY HAS ARABIAN INFLUENCES (THOUGH IS MORE DIRECTLY BASED ON EGYPT), BUT "AL" IS ALSO A COMMON PREFIX FOR MANY LOCATIONS IN ARABIC-SPEAKING COUNTRIES (EGYPT'S CAPITAL FOR EXAMPLE IS LOCALLY KNOWN AS "ALQAHIRA"). THE NAME COULD ALSO RELATE TO OTHER PUNS LIKE ALABASTER SAND, BUT WE ULTIMATELY WENT WITH ALABASTA, DUE TO BEING MORE WIDELY ADOPTED AND OTHER CAREFULLY CONSIDERATED REASONS

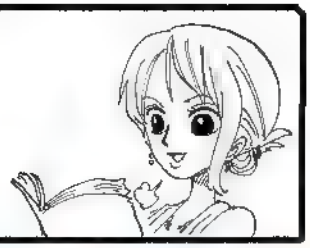
- ***NEFERTARI*** VIVI'S NAME HAS SIMILARLY BEEN SPELLED AS BOTH "NEFELTARI" AND "NEFERTARI" BY ODA. WHILE NEFELTARI HAS BEEN THE MORE FREQUENTLY USED SPELLING, WE WENT WITH "NEFERTARI" DUE TO BEING THE MORE WIDELY ADOPTED SPELLING AND ALSO SINCE IT'S THE NAME OF AN ACTUAL EGYPTIAN QUEEN

- MR. 3 TENDS TO END HIS SENTENCES WITH "***DAGA NE***", WHICH BASICALLY MEANS SOMETHING LIKE "BUT SO IT IS", WHICH WAS TRANSLATED AS A SNARKY "HMM?" IN THIS CASE TO FLOW BETTER. THIS PATTERN ALONG WITH SEVERAL OTHERS WAS COMPLETELY OMMITTED FROM THE ORIGINAL OFFICIAL TRANSLATION



TNC

TRANSLATION NOTES CORNER
Volume 13



- ***MISS GOLDENWEEK***'S CODENAME REFERS TO THE FESTIVITY OF GOLDEN WEEK IN JAPAN, WHICH IS A WEEK OF HOLIDAYS IN THE MIDDLE OF SPRING THAT MANY JAPANESE PEOPLE TAKE OFF AS VACATION. THE CODENAMES OF THE FEMALE AGENTS ARE IN ASCENDING ORDER OF THE MOST IMPORTANT HOLIDAYS IN JAPANESE CULTURE, WITH GOLDENWEEK ARGUABLY BEING THE THIRD MOST IMPORTANT HOLIDAY PERIOD, CONSIDERABLY AHEAD OF VALENTINE'S DAY, FOR EXAMPLE. BY THE WAY, A LOT OF PEOPLE TEND TO ASSUME SHE'S YOUNG DUE TO HER LOOKS, BUT SHE'S 16, JUST A YEAR YOUNGER THAN LUFFY

- THE ISLAND MR. 3 AND MISS GOLDENWEEK VACATION AT, KYUKA ISLAND, TRANSLATES TO "VACATION ISLAND", SO THAT NAME HAS BEEN TRANSLATED AS AN EPITHET HERE

- IN JAPANESE, SANJI REFERS TO VIVI AS "***VIVI-CHAN***", UNLIKE NAMI WHOM HE CALLS "***NAMI-SAN***", WHICH IS A MORE AFFECTIONATE HONORIFIC

ONEPIECE WARS!!

The other day I remembered a game that I invented in grade school and decided to revise it. So sometime when you're thinking, "Man, I'm so bored," play this game with your friends. It's easy.

What you'll need to prepare:

- A Tactics card
- A six-sided pencil
- Unshakeable Pirate Spirit (A little shaky is okay.)
- A Battlefield card (see p. 185) and an eraser

What you won't need to prepare:

- Coffee (Please don't bother making any. I won't be staying long.)

The Tactics Card

ONEPIECE WARS
TACTICSCARD

NAME: Monkey D. Luffy

1	Gum-Gum Pistol	5
2	Gum-Gum Balloon	0
3	Fart	40
4	Gum-Gum Bullet	15
5	Gum-Gum Rocket	10
6	Gum-Gum Gatling Gun	30
		POINTS

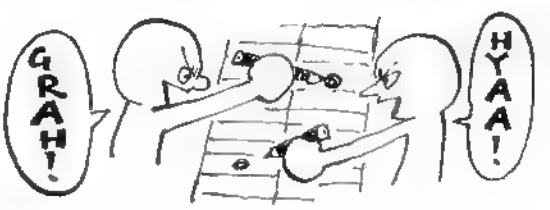
1. Write the name of a *One Piece* character you like under "name." (Anybody is fine.)
2. Draw the character next to the name. It doesn't have to be perfect.
3. Write down six techniques in the spaces below. You can make up your own, if you want. (Example: Ms. Makino's Smile Attack, etc.)
4. Assign points to each technique in multiples of 5, so that they add up to 100. (0 is also possible.)

◎ The six-sided pencil

Shave the paint off the tip and number each face from 1 to 6, turning the pencil into a die.

★ Prepare for Battle!

- This game is for two or more people.
- Find someone with a Tactics card.
  (If the person doesn't own this book, be a good sport and let him or her copy yours. Sharing good times is part of true pirate spirit.)
- When you find an opponent, take out your Battlefield card. Each player should draw a black dot on one of the 20 spaces on his or her opponent's card.



★ Attack!!

- Take out your cards and attack!!
- Do rock-paper-scissors. The winner rolls the pencil die to get the opponent's technique number and then blackens in the space on the opponent's Battlefield card that shows the corresponding number of points!!

★ Bonus Buggy Dot

- If you land on the dot you drew, as you're blackening in a space, you get a Bonus Buggy Chance. Your attack accelerates. You get to attack again.
- The first one to reach 100 points wins!!

May you be victorious in Battle.

By the way, I've seen a ninja. It's true. I was in third grade. We were living in Miyazaki, where my dad had been transferred for his job, and a ninja came to our school. All the classes suddenly stopped and the whole school gathered for an assembly. After the principal introduced him, the ninja said, "I've come to demonstrate the art of Ninjutsu today." The ninja shouted, "Kaa!" and broke a big rock. We were all enormously impressed. Then the ninja called several of the older kids up to the stage and said, "You can go back now." We were all puzzled, but a moment later we understood!!!

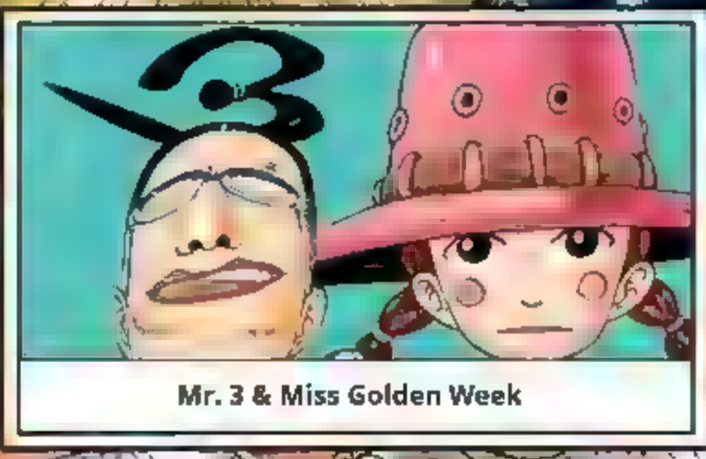
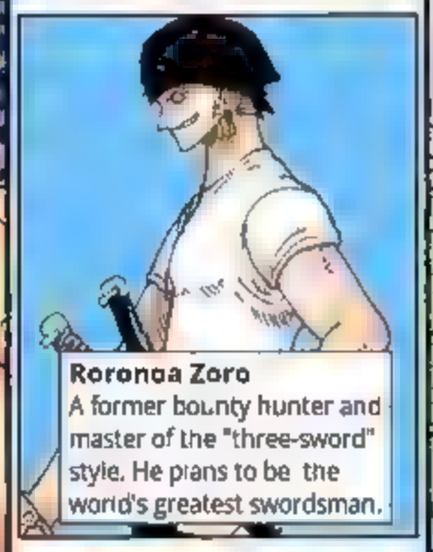
The kind-hearted cook (and ladies' man) whose dream s to find the legendary sea the "All Blue."

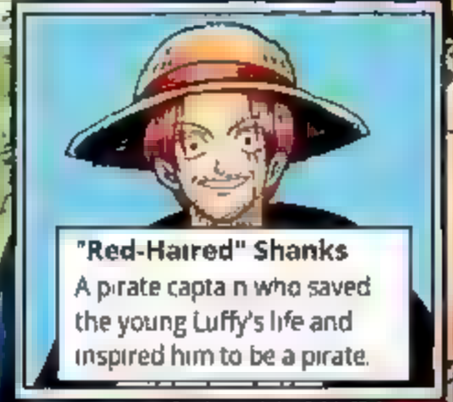
Miss Valentine & Mr. 5



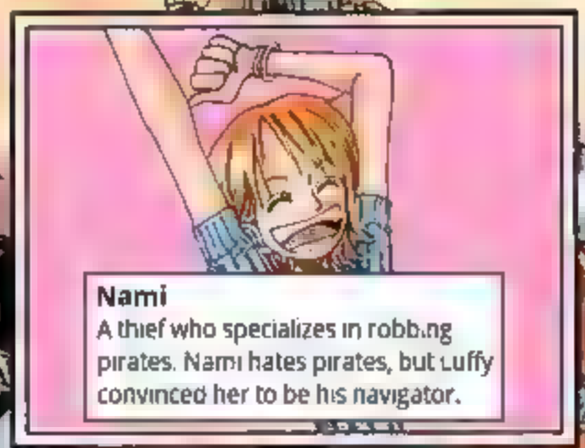
Mr. 3 & Miss Golden Week



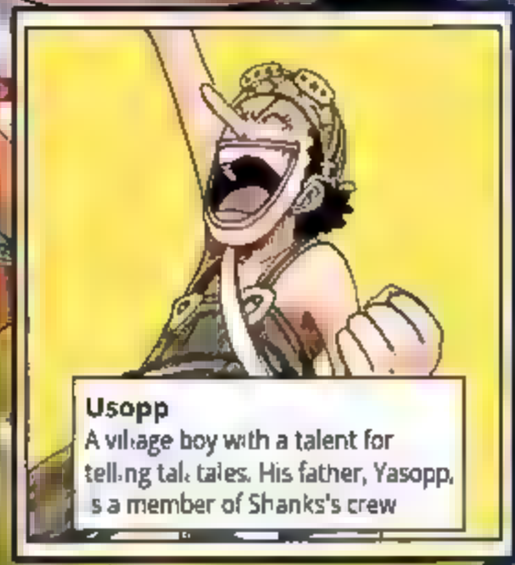
Roronoa Zoro
A former bounty hunter and master of the "three-sword" style. He plans to be the world's greatest swordsman.



"Red-Haired" Shanks
A pirate capta n who saved the young Luffy's life and inspired him to be a pirate.



Nami
A thief who specializes in robbing pirates. Nami hates pirates, but Luffy convinced her to be his navigator.



Usopp
A village boy with a talent for telling tall tales. His father, Yasopp, s a member of Shanks's crew

Monkey D. Luffy
Boundlessly optimistic and able to stretch like rubber, he is determined to become the King of the Pirates.

Vivi & Karoo

Monkey D. Luffy started out as just a kid with a dream—and that dream was to become the greatest pirate in history! Stirred by the tales of pirate "Red-Haired" Shanks, Luffy vowed to become a pirate himself. That was before the enchanted Devil Fruit gave Luffy the power to stretch like rubber, at the cost of being unable to swim—a serious handicap for an aspiring sea dog. Undeterred, Luffy set out to sea, and recruited some crewmates: master swordsman Zoro, treasure-hunting thief Nami, lying sharpshooter Usopp, and Sanji, the high-kicking chef.

Having finally reached the Grand Line, Luffy and crew sail to Whisky Peak, where they are wined and dined by the locals. But the village turns to be the lair of the secret criminal organization Baroque Works! Princess Nefertari Vivi of Alabasta (Miss Wednesday) and Igaram (Mr. 8) have infiltrated Baroque Works in order to destroy it. Meanwhile, Mr. 5 and Miss Valentine have been sent to kill them. But before the Officer Agents can accomplish their deadly mission, Zoro intervenes—thanks to Nami's greed. After the battle, the princess explains that Baroque Works' true aim is the overthrow of Alabasta. Then she accidentally divulges the identity of Baroque Works' leader!.

Now hunted prey, our heroes sail for Alabasta to return Princess Vivi to her kingdom. But first they must face the perils of the mysterious island of Little Garden.

Reader: Well…I'd like to begin the Question Corner now, but I shouldn't be the one to start it, so let's have Oda Sensei do it. Sensei? Sensei!! What!? He's asleep!? Hmm… Oh well, I'll start it then!!

Begin the SBS!!

Oda: Snore... Huh!! Rats! I overslept.
Oh, it's time for the question corner. Oh, and it's already started again!!

Q: What's up, Oda Sensei? Here's my question. This has been keeping me up at night, so please hear me out.
What does the "pura" in "tempura" mean?

A: Get outta here!!
Who cares about "pura"!? (I just woke up.)

Q: Hello, Oda Sensei. I'm Kazuya, Mr. Yano's adoring follower. S-hei K-bayashi (a friend) told me about this. In Volume 10, on Nami's outfit on page 87 and on Helmeppo's cap on page 109, there was a picture of "Doskoi Panda." Is this a real animal?

A: It's a brand currently popular in the East Blue. Pretty expensive stuff. One T-shirt costs over 10,000 Berries. But watch out for imitation Doskoi Panda merchandise!

Doskoi Panda's main store is on Mirror Ball Island in the East Blue.

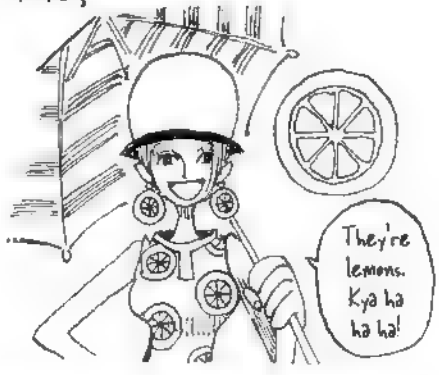
Q: Attention: I've got a question I'd like to ask you, Mr. Oda. Isn't the photograph on the cover flap of volume 13 the same as the one on the cover flap of Shaman King volume 8? Huh? Huh!? **Huh!!?** From a Guy who wants to be called "Motchi."

A: You're right. As a rule, I don't put my photo in my comics. (If my face becomes known, I'll have all kinds of problems in my daily life.) Mr. Takei's *Shaman King* series, which also runs in *Shonen Jump*, was coming out the same month as *One Piece*, so we thought it'd be funny to use the same photo in both books. So the one sitting cross-legged is me, and the one smoking is Mr. Takei.

Q: Ms. Valentine's outfit is really cute. By the way, are those oranges on her dress? I'm curious.

A: They're lemons. Kya ha ha ha ha! Round slices of lemons. Kya ha ha ha ha!



Q: Mr. 5's Nose Fancy Cannon from volume 13 is basically boogers, right?

A: That's right. Kya ha ha ha! When I came up with the idea, I burst out laughing.

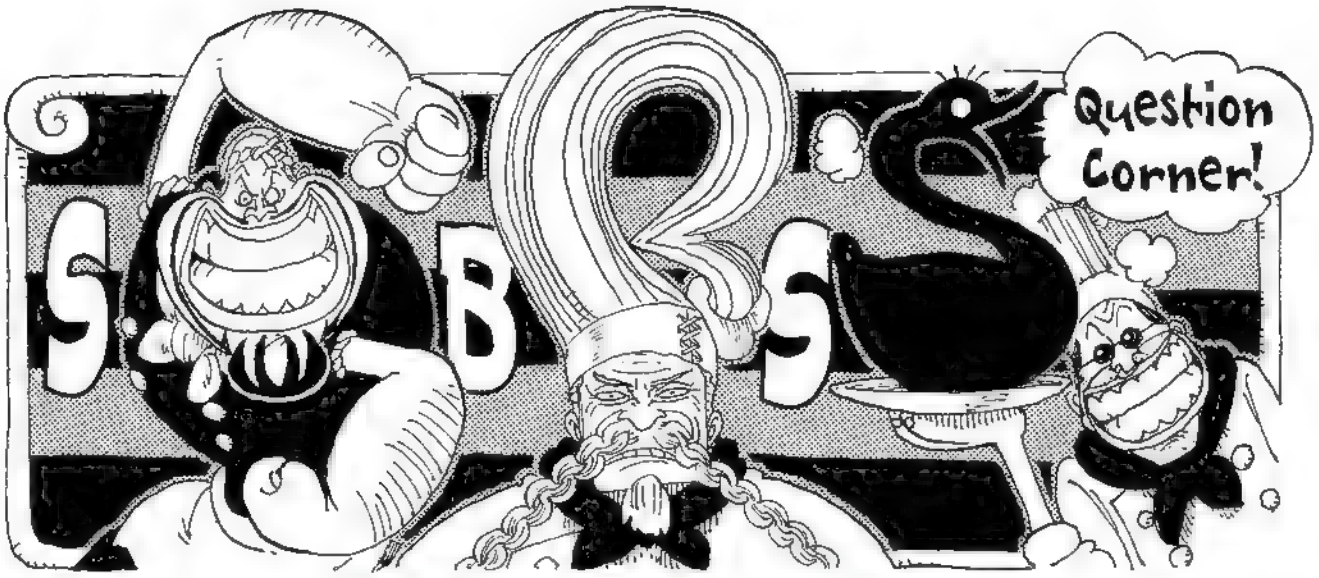
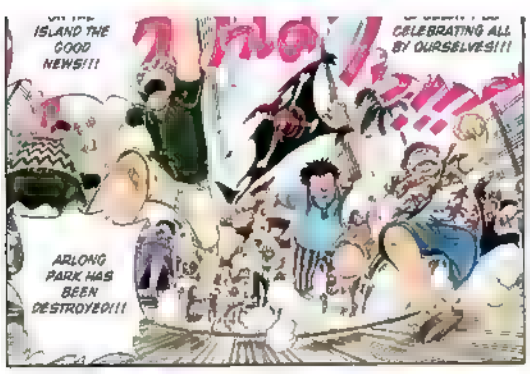
ヒソ!!
ヒソ!!
THERE'S THREE OF US! LET'S GO!!



Q: Hello, Mr. Oda!! They call me Sayaka! On page 79 of vol. 11, on the right corner of the fourth frame, there's a drunk guy! How come!? C'mon, Pal, tell me!!

A:



In this scene?

This man, right?

I'm very glad you noticed that. That man's name is Sam. He's drunk. He was staggering home after his daughter's wedding when he came upon the Arlong Park crowd. He saw a bunch of people making merry, so he joined them. That's Sam.

Q: What's this prosciutto and melon mentioned in vol. 11? [see v11 page 87]

A: It's an Italian appetizer that combines the saltiness of prosciutto and the sweetness of melon in exquisite harmony. There are many different variations of it.

Q: Where can I learn Fish-Man Karate? Please tell me.

A: On Fish-Man Island. It's about halfway along the Grand Line. It'll come up eventually, so just relax and wait.

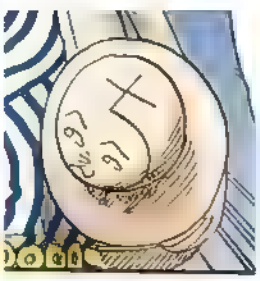
Reader: **Let's do the Question Corner.**

Oda: Okay, gotcha. Lay it on me.

Q: Mr. Oda!! What does it mean? On page 97 of vol. 13, the guy with the curls is holding some decoy mannequins with **he no he no unchi* written on their faces!! What does it mean!? What does it mean!? The soul of a reader cries out to know!

A: That's ridiculous. *He no he no unchi?!* Ha ha ha! I'd never draw something like that. You mean this scene, right?



Oh!!
You're right!!
Darn that dirty Igaram!!
Unforgivable!! Pulling an outrageous stunt like that in a tasteful comic like *One Piece*!! And what's with that makeup!? Hey, you!!
See? There. I scolded him good. Please forgive him.

Q: Why does Igaram always say, "Ahem. Mi mi mi"? I'm losing sleep over this.

A: Mi mi mi, eh? You know, it's that thing they do in music class. Don't they do voice exercises at the beginning? Mi(→)mi(↗)mi(↑)mi(↗)mi♪(→) That thing. He seems to be doing voice exercises. His throat must be igar-itchy!! Ahem!! Ahem!! Mi mi mi mi mi!

**he no he no* is a drawing game using Japanese hiragana characters to make faces, but Oda added unchi to the end, which means doo-doo.

Reader: Mr. Oda!! Hiya!! I **love** Usopp. ♡
Hey, Eiichiro!!! Look this way!!!

Usopp Rubberband!!!

Oda: ...

Q: Hello, Mr. Oda. Well, I'm puzzled by something. In Usopp's Pirate Gallery in volume 13, why are there reader's drawings of future characters? Do they have E.S.P.? How do they know what the new characters will be? Thank you.

A: Phew!! I was scared! I expected to get hit by a rubber band!! What's that? Oh, new characters. That's because those people read *Shonen Jump*. I've been reading it myself since I was a kid. It's still a great magazine.

Q: On TV the other day, I saw a man dressed up like one of those Egyptian pharaohs (like King Tut). He was wearing a striped goatee like Jango's. Now here's my question: What's the connection between the ancient Egyptians and Jango?

A: Actually, there is a connection. Jango is the captain of the Black Cat Pirates. His crewmen all wear cat ears, but he has a striped goatee. That's because cats are popular in Japan these days. But cats originated in Egypt. So I added an Egyptian touch. Well, that's all it was, so no big deal.

Q: Hello, Dummy. *Hebo imo osore itashimasu* [a nonsensical sentence that roughly means "Thanks a lot, rotten potato"]. Hey, Timmy Ueda, I bet you're reading this! We challenge you to a game of *shiritori. I'll start. *Mikan!* (orange) Aw, rats!! I'm quitting the SBS.

A: Hey, wait a minute. By the way, what does the "pura" in tempura mean? For that matter, what's "tem" mean? Tempura...what does it mean anyway?

*shiritori — Take the Tail, a word game. The first player says a word, and every subsequent player has to say a new word starting with the last syllable of the previous word. But none of the words can end in "n."

TRANSLATION NOTES CORNER
Volume 14

- FOR SEVERAL YEARS, FANS SPELLED THE NAME OF THE ISLAND OF "***ELBAPH***" AS "ELBAF", AND THERE WAS A POPULAR THEORY THAT THE NAME MAY BE "FABLE" WRITTEN BACKWARDS. HOWEVER, ULTIMATELY ODA ROMANIZED IT AS "ELBAPH"

- SOME FANS BELIEVE THAT ***DORRY*** AND ***BROGY***'S NAMES MAY BE BASED ON THOSE OF WRESTLERS: DORRY FUNK AND BRUISER BRODY. PARTICULARLY AS THEIR WEAPONS ARE KNOWN AS THE TERRY SWORD (FROM DORRY'S BROTHER TERRY FUNK) AND BRUISER AXE

- LET'S BREAK DOWN SOME MORE PRONOUNS:

SPEAKER:	FIRST PERSON PRONOUN:	SPEECH PATTERN:
VIVI	USES THE STANDARD WATASHI (私), A GENDER NEUTRAL PRONOUN APT FOR ALL SITUATIONS	SPEAKS IN A MORE RELAXED FEMININE MANNER, BUT REFERS TO OTHERS WITH THE HONORIFIC -SAN/MR
KAROO	QUACK QUACK	SPEAKS, WELL, LIKE A DUCK
MR. 5	USES THE INFORMAL MASCULINE ORE (おれ)	SPEAKS IN A BOSSY ASSERTING MASCULINE TONE
MISS VALENTINE	USES THE STANDARD WATASHI (私), A GENDER NEUTRAL PRONOUN APT FOR ALL SITUATIONS	SPEAKS LIKE A FAIRLY BRATTY AND PRETENTIOUS WOMAN, SOUNDING PRETTY GIRLISH AND FEMININE
IGARAM	USES THE STANDARD WATASHI (私), A GENDER NEUTRAL PRONOUN APT FOR ALL SITUATIONS	SPEAKS IN A FAIRLY NORMAL POLITE WAY GIVEN HIS STANDING. SOMETIMES DOES VOCAL PRACTICE
MR. 3	USES THE STANDARD WATASHI (私) AS A WAY TO SOUND MORE POLITE AND THUS SOPHISTICATED	SPEAKS VERY PRETENTIOUSLY AND SOPHISTICATED, ADDING "HMM?" AT THE END OF HIS SENTENCES
MISS GOLDENWEEK	DESPITE ALL HER LINES, NEVER USES A PRONOUN, SIMPLY STATING HER FEELINGS OUT LOUD	SPEAKS IN A CASUAL GIRLY MANNER, BUT SPEAKS HER MIND WITHOUT EXPRESSING MUCH EMOTION.
DORRY/ BROGY	BOTH USE THE INFORMAL MASCULINE ORE (おれ)	SPEAK IN AN INFORMAL AND GRUFF WAY BEFITTING OF WARRIORS, BUT ARE GENERALLY FRIENDLY TOO

--Continued from the previous volume--
"Kah!!" shouted the ninja. "Batan!!" And the older students collapsed in a heap. It was the famous kanashibari jutsu technique!!
After that, he stunned us by stopping someone's heart from beating and showing photos from his years of training. We were in total awe. Then the ninja said, "Actually, I could stand upside down on the ceiling of this hall for five hours, but we don't have time today."
I saw the ninja. He wasn't kidding.

-Eiichiro Oda, 2000

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

THE STORY OF ONE PIECE Volume 15

Dorry

Brogy

Roronoa Zoro
A former bounty hunter and master of the "three-sword" style. He plans to be the world's greatest swordsman.

Usopp
A village boy with a talent for telling tall tales. His father, Yasopp, is a member of Shanks's crew.

Monkey D. Luffy
Boundlessly optimistic and able to stretch like rubber, he is determined to become the King of the Pirates.

Nami
A thief who specializes in robbing pirates. Nami hates pirates, but Luffy convinced her to be his navigator.

Sanji
The kind-hearted cook (and ladies' man) whose dream is to find the legendary sea the "All Blue."

"Red-Haired" Shanks
A pirate that Luffy idolizes. Shanks gave Luffy his trademark straw hat.

Princess Vivi

Monkey D. Luffy started out as just a kid with a dream—and that dream was to become the greatest pirate in history! Stirred by the tales of pirate "Red Haired" Shanks, Luffy vowed to become a pirate himself. That was before the enchanted Devil Fruit gave Luffy the power to stretch like rubber, at the cost of being unable to swim—a serious handicap for an aspiring sea dog. Undeterred, Luffy set out to sea, and recruited some crewmates: master swordsman Zoro, treasure-hunting thief Nami, lying sharpshooter Usopp, and Sanji, the high-kicking chef.

Luffy and the crew of the *Going Merry* finally reach the Grand Line and are soon up to their necks in intrigue! Having saved Princess Vivi from the super-secretive criminals of Baroque Works, they vow to return her to her kingdom so that she can defuse a rebellion instigated by the mysterious Mr. Zero. But when the Princess accidentally reveals Mr. Zero's secret identity, the Straw Hat Pirates suddenly find themselves at the top of Baroque Works' hit list.

Their first stop en route to Alabasta is the strange island of Little Garden. There they find two Giant warriors locked in a century-long battle of honor. But the battle is cut short by the machinations of Baroque Works agents who want to collect a huge reward of the Brobdingnagian combatants. Infuriated by this dastardly act, Luffy and crew clobber the criminals. But can the Straw Hats survive on Little Garden until their Log Pose resets—a whole year from now?!

Reader: And now, everyone! Instead of Oda Sensei, Miss Valentine will begin the Question Corner!!

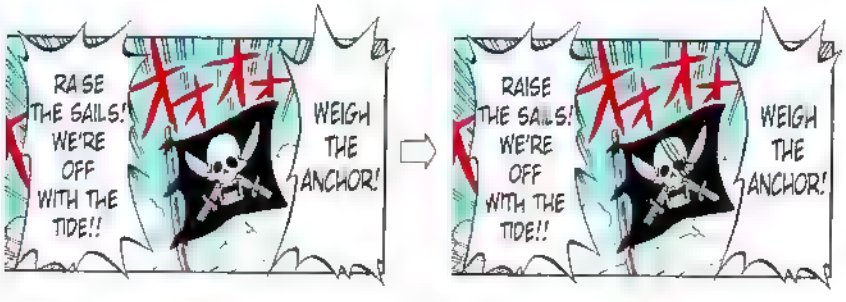
Welcome, Miss Valentine!!

Valentine: Kya ha ha ha ha! Let the Question Corner begin! ♥

Oda: Sure…

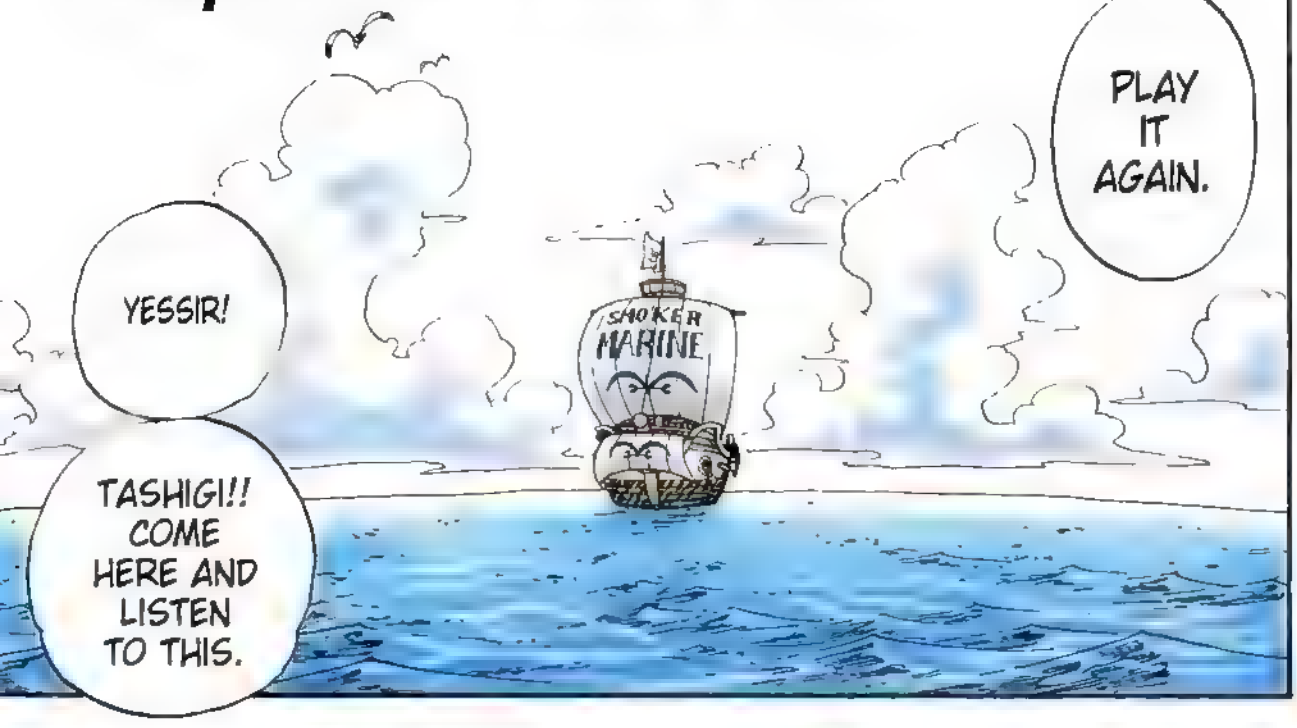
Q: Ei-chan!! Here's the secret of tempura. It was originally a Portuguese word, but it has no real meaning. Long ago, the Japanese just wrote down what the Portuguese said phonetically. It's a loanword. If there's anything else you don't understand, just ask me. ♥ Eh-heh ♥♥
All-knowing Himeko from Yamaguchi.

A: Wow. Amazing. All-knowing Himeko really knows all!! Here's a question for All-knowing Himeko. In the panel below from page 51 of volume 1, why are the three scars missing? And why, even though many readers have pointed it out, have I never corrected it? There must be some deep significance to it, right? I know!! It's a message to young boys and girls to be so cheerful that even their scars go away!! Right? Nah. Sorry. I just forgot...



Now then, everyone!! It's time to pick up a pen and do some revisions! EveryBody's entitled to a few mistakes, but not this kind.

Chapter 128: PIRATE PRIDE



ONLY ON THE GRAND LINE CAN YOU FIND A SKILLFUL GRADE SWORD SO EASILY!
THE SKILLFUL GRADE SWORD KASHU!!

Q: I have a question. In Volume 12, page 31, what are they doing with that barrel? -- Vivi Fan No. 017

A: They kicked open the lid of a Beer Barrel to celebrate reaching the Grand Line. It's sort of a One Piece sailing ceremony. I wanted to show more, but this was the end of the 100th chapter, "The Legend Begins," and I didn't have much time. But isn't it kind of cool anyway?

- First, there's an opening ceremony before the shipbuilding begins.
- Then there's the completion ceremony when the ship is finished.
- And finally, there's a huge celebration and a christening when the ship is launched.

So the most exciting ceremony is the ship's birthday or christening. One of the rituals is the striking of a champagne bottle against the bow of the ship. If the bottle doesn't break, it's a bad omen. So the person throwing the bottle has to be very serious about it. I've heard that Viking sailing ceremonies included the spilling of sacrificial blood on the ship.
